Fox C-6 Community Outreach is pleased to offer

The Social Zone

What is the Social Zone? This is an after school program that provides adult supervision from dismissal until 6:00pm for students at all four middle schools, who stay after for other after school activities, tutoring, or clubs. This program gives parents some flexibility and piece of mind when they are not able to arrive at school to pick up at the conclusion of club meetings, activities, etc. Our staff will provide supervision from school dismissal until parents can arrive up to 6:00pm on all scheduled school days. This is an after school offering, no before school care available. All beginning in the 19-20 school year.

Who will provide the supervision? Fox C-6 employees with experience in after-school programming. All of our staff are CPR/1st Aid Certified, and all have completed a series of Fox C-6 mandated trainings. Many of our staff are high school juniors and seniors, and college students.

Who is eligible to enroll? Any 6th, 7th, or 8th grade student is eligible to participate.

What will be offered? The concept of this program is to provide a supervision service for parents until they are able to pick up their child, but, more importantly, it is to provide a safe place for middle school students to hang out, socialize with others in the program, work on homework, have access to their phones, read, listen to music, and have the ability to "Socialize" until their ride arrives!

What is the registration process? Registration is easy! Complete the on-line form by clicking the link below. You can register at anytime during the school year since we understand it may only be needed at certain times of the year or when your child is participating in an after school club that dismisses before you can arrive. We will contact you about a start date after your registration is received.

What are the fees? The fees are \$40.00 per week for Monday-Friday afternoon care, or \$10 per day if only specific days of the week are needed. Payments are made on-line through your parent portal, or paid by check or money order to the Social Zone Supervisor each week.

Is there more information? Yes, please click the link here to review a small handbook about the policies and procedures regarding this new program. If you still have questions, feel free to reach our office staff at 636-282-6915. Secretary, Donna Schneider, or Crystal Worth, or Director, Sue Belleville can help answer your questions.
